♥ About Millie

Introducing adoptable Millie. She's 7 years, 7 months young. She's super affectionate and obedient. Millie is your classic lovable golden girl. She loves people and being with her people. Millie is up for anything-swimming, hiking, snuggling, and playing.

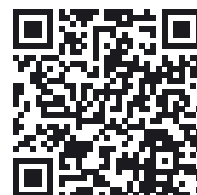

Millie has been through some changes in the last few years with the addition of kids. She's fantastic with them! However, the family giving her up has crated her 18 hours a day due to work changes. Millie deserves better! She needs room to roam and be next to her humans, all the time....
