♥ About Maple

Introducing 4 year old Maple. She is the sweetest girl and a puppy at heart. Maple was used by a breeder and has had at least three litters of puppies. She had her last litter in April and is slightly overweight. She will need lots of exercise and to be spayed. She's good with other dogs and has been great with the surrendering families young kids.

Maple loves to play fetch and is very strong. She enjoys tug toys. She will play for hours! Maple is great in the car and does well on her leash. She loves to get in between your legs for some extra pets and attention. This pretty girl is so gentle. Unknown around cats...
