♥ About Josie

Josie is a lovely, sweet 7-8 year old Golden Retriever. She is awesome with our 14 month old submissive Golden Retriever, Jasper, as well as when she is off leash at our local dog park.

We swooped her up from a shelter and she's so happy we did! The feeling is mutual.

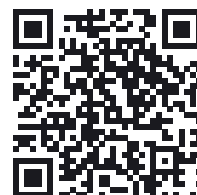

Josie is recently spayed and up to date on her vaccines. She is microchipped. Josie is healthy and active. She is wonderful walking on her harness and loves the car. Josie's happy go lucky spirit is intact despite being surrendered on May 13th. We have had her with us since May 21. She is thriving!...
