♥ About Archer

Archer is a sweet, gentle nearly four year old neutered Golden Retriever who may be a little timid at first, but once he feels safe, his fun and goofy personality begins to shine. He needs a quiet, safe, and patient place to land. A fenced yard is a prerequisite.

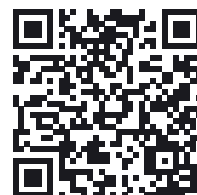

This handsome boy loves playing fetch and has some pretty impressive moves when jumping for the ball. He gets along great with other dogs. Archer also enjoys the water and loves spending time outdoors. While he can be scared in new situations, he is a true cuddle bug...
