♥ About Mazi

Introducing Mazi. Mazi is 10 months old. She is a darling, caramel colored Golden Retriever. She is social and also independent. She loves her toys.

These sweet sisters were surrendered to IDGRR because the owners are moving out of the state to a smaller space. They will need DH2PP, rabies and spayed. IDGRR will pay for this at SNIP or Idaho Humane Society if the adopter is unable to pay for it.

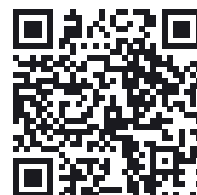

They have been raised as outside dogs and currently sleep in a climate controlled garage. They are crate trained, and have been trained on Halo collars. They are not potty trained....
