♥ About Jaxson

Meet Mr. Love Sponge Jaxson! Jaxson is a very calm yet adventurous 10 year old neutered male. He can get anxious if left alone for too long (who doesn't?) and loves to cuddle and soaks up attention. He loves to give his humans kisses. He loves cats and other dogs.

Best traits: He is very loyal and incredibly loving. He is very patient and gentle especially with kids and other animals. He is a great adventure buddy whether it's a walk, swim or small hike. He loves car rides yet it's a bit of a wrestling match getting him up into the car

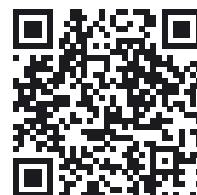

Training: knows he knows sit, lay down, shake, and stay; obeys everyone...
