♥ About Harley

We will only adopt Axel and Harley together. These two incredible dogs are sure to make anyone happy. They are spectacular.

Harley is a spayed, super sweet and cuddly English Cream. She will need some work on a leash but is doing better with a harness. She has some initial anxiety in cars. She is a very well mannered and loving dog.

She has grown up with three children, a small dog and cat.

Bonded pair of English cream Goldens. Please reach out to us if you are an approved...
