♥ About Miryella "Ella"

Introducing fantastic 7 years young spayed Ella! She is very playful, loving and endearing. She is obedient, loyal and an overall wonderful dog. She loves to snuggle, to sleep with you, follow you around endlessly and believes she's the welcome wagon to everyone she comes across. She's your quintessential Velcro Golden.

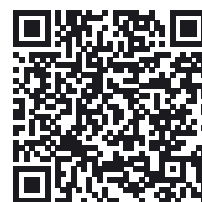

Ella will need to be exercised and placed on a strict diet. She'll need some tlc on trimming her nails/grinch feet, ears cleaned, brushed, etc.-we are working on this. She is a dream and is ultra compliant. She walks perfectly on a leash, which is a good thing as she will need...
