### ♥ About Belle

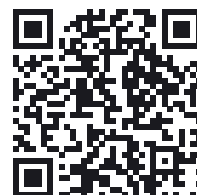

Introducing smart, gorgeous Belle! Belle turns one on September 22. She's in Boise. Belle loves people and thinks everyone wants to be her best friend. She is a quick learner and will do just about anything for food. Belle is ultra love able and funny. She likes to do summersaults, ending up flat on her back for belly rubs. She has a beautiful dark red coat. Belle is being painstakingly surrendered as her owners are older, and realize she needs an active household willing to work on her training skills and give her the attention she needs. Belle is a field red golden, and will excel with structure and patience....
