♥ About Willow

Introducing sweet & cuddly 6 year old Willow. She is super friendly, loves people, kids and dogs. And cats? Not so much.

Willow has lived outside most of her life so is not yet house trained. She loves the water and has good recall. IDGRR is working to get her updated on vaccines and spayed.

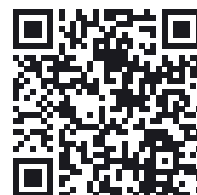

We are hoping to place Willow in a wonderful situation where she has a soft bed, people to love her and most importantly, a wonderful home where she will never again be used by a breeder to produce multiple litters of puppies....
