♥ About Hunter

Introducing Hunter—a beautiful 1 year old Golden Retriever. Hunter is coming back to us through no fault of his own. His adopters experienced a death in the family and subsequent life changes. Hunter loves their 13 year old daughter and gets along great with their two older Golden's. He loves his toys so much he tries to carry them ALL at once. He is very sweet and gentle, and typical to being a younger pup, he is very high energy. He does jump up on furniture/people, so will need training.

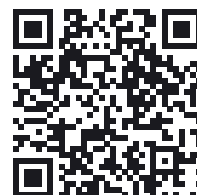

If you are looking for the perfect youngster —Hunter is your guy! House trained, crate...
